## RIHAKU | A TIMELESS LEGEND THAT KNOWS NO LIMITS

**Dreamy Clouds**  
*Nigori*

Meet Snow Maiden's lighter, elevated sister, Dreamy Clouds. A fresher style of nigori. Together, these two icons satisfy every nigori lover.

**Wandering Poet**  
*Junmai Ginjo*

Pair with veggies that wine struggles with—offering a feel-good option that enhances healthy eating.

**Dance of Discovery**  
*Junmai*

Crazy value and umami-light sake. Ideal for ramen pairings and casual dining. Ease guests into funk!

**Dreamy Clouds Nama**  
*Nigori*

Bursting with vibrance. Its zippy, refreshing profile makes it the perfect pick for a clean, invigorating sip.

## KONTEKI | THE MASTER CRAFTSMAN OF PRECISION & ELEGANCE

**Tears of Dawn**  
*Daiginjo*

Bold & decadent. The perfect gateway to premium sake. In a 1.8L format—more to pour, lower cost/oz.

**Pearls of Simplicity**  
*Junmai Daiginjo*

Shy but sophisticated—made for those with a taste for quiet luxury.

## TOZAI | #2 IMPORTED SAKE BRAND IN THE U.S

**Snow Maiden**  
*Nigori*

The U.S. is crazy for Nigori and Snow Maiden is its queen. Thankfully, it comes in three formats.

**Living Jewel**  
*Junmai*

The perfect balance of quality and approachability—smooth, light profile that makes it easy to sell.

**Well of Wisdom**  
*Ginjo*

The most crushable bottle of sake on the market. For easy sipping and high-volume appeal.

**Blossom of Peace**  
*Plum*

Forget what you know about this category... Blossom is bright, mouthwatering, and delightfully tangy.

**Typhoon**  
*Futsu*

Don't call it basic. You'll never get tired of Typhoon. It stands strong in any setting, at any temp, anytime.

**Night Swim Cans**  
*Futsu*

A smooth, approachable taste in a convenient, ready-to-drink format.

## BUSHIDO | BOLD WARRIOR—IN A CAN

**Way of the Warrior**  
*Genshu*

A companion for all foods that goes down too smooth for its own good. The only canned warrior option.
